## TINKERBELL AND OTHER FAERIES GO TO AEROMAX FOR ALL THEIR NEW WINGS

### *Aeromax Brings Style and Quality To Children's Dress-Up*

Lake Barrington, IL (December 21, 2010) – For many of us, the most well-known faerie in the world is Tinkerbell. So who better to answer the age-old question: Which faerie wings are the best? We caught up to the famous, sprightly flyer on her recent shopping trip to New York City, and asked her.

**US:** Miss Bell, children around the world want to know... which wings would you recommend to aspiring faeries?

**TINKERBELL:** First of all, please, call me “Tink.” Secondly, the only wings that I would ever use come from Aeromax. Whether I’m trying to get away from Captain Hook or just flying around with Peter Pan and the Lost Boys, those are the only wings that work.

To see Tinkerbell’s favorite wings and the greatest make-believe wardrobe available anywhere, visit Aeromax in Booth 5317 at this year’s American International Toy Fair in New York City. We can’t promise that you’ll meet Tinkerbell, but if you clap three times in the booth someone will come see if they can help you.
