To Reach For The Moon ••• Then Stuff Their Stockings With
Rocket Writers And Alien Paratroopers!*

Lake Barrington, IL — What's on the holiday wish list of today's worldly kids? You may be surprised to learn that they still like to dress up and make-pretend. And just like kids of a generation ago, being a policeman, firefighter or astronaut tops the list for boys and girls. But looking the part just got a little more sophisticated!

Aeromax Toys offers six *Get Real Gear* costumes with high quality fabric and intricate details that aren't just leftover Halloween costumes. The richly-detailed costumes are machine-washable and boast of finished seams and locked stitching sure to last until next October! Each of the six professions are offered in four sizes: 2/3 for ages 2 to 3, 4/6 for ages 3 to 5, 8/10 for ages 6 to 8, 12/14 for ages 10 to 12.

- **Jr. Champion Racing Suit:** Ready, set, go! Your kid is going to love this silky & smooth one-piece racing suit so much that he's going to want to wear it day *and* night! so popular. It includes an adjustable hard helmet; adjustable bib overalls with pockets and reinforced knee patches; adjustable suspenders; coat with buckles, zipper, pockets, and authentic gauntlet cuffs; and reinforced elbow patches. Boys & girls alike adore this suit. \$59.95.

- **Jr. Police Officer:** Say no more: this outfit includes handcuffs. OK, plastic handcuffs that come with two keys, that are pretty easy to slip out of, but what kid wouldn't like something that comes with handcuffs?! Add to that a police belt with holders for the included baton (made of plastic, of course), a whistle, ID wallet, and police radio. The costume itself features a well-made 100% cotton shirt with embroidered police patches and a nice pair of all-cotton navy pants that could pull double duty at school. It's all topped off with an official-looking cap with badge. \$57.95

The costumes are widely available at Sensational Beginnings catalog or www.sensationalbeginnings.com, Leaps & Bounds catalog or www.leapsandboundscatalog.com and other specialty stores.
